Newsletter Introduction

T2 News is a new publication providing specialized information to Eastern Oregon Realtors. This is a monthly publication, aimed at providing its readers, material focused on what is happening in the Home Inspection Industry, along with helpful topics that can be shared with their clients.

Who is T2 Home Services?

Mark Townsend is a Pendleton native, who's professional career has been aimed at ensuring customers get what they are expecting, in the best manner possible. T2 Home Services provides Professional Home Inspection Services for buyers, sellers and home owners in Eastern Oregon. Although based in Pendleton, Mark is willing and able to travel all over Eastern Oregon to ensure his client is served promptly and professionally.

T2 Home Services is a member in good standing of American Society of Home Inspectors (ASHI)

Should You Buy A House With Roof Damage? by Courtesy of Realtor.com

The Surprising Benefits - and Challenges. For most home shoppers, any mention of roof damage is enough to send them sprinting in the opposite direction. Buyers who are not in the market for a fixer-upper are typically trying to nab a house in the best possible condition, and roof damage can be seriously costly to repair. [Read More..](#)
